

Dalhousie Riverview Cemetery Co. Ltd.

The Dalhousie Riverview Cemetery Co. Ltd. Is responsible for two cemeteries in Restigouche County. The Dalhousie Riverview Cemetery located at the bottom of Renfrew Street in Dalhousie next to the fire station (est. 1854) and the Dalhousie Riverview Cemetery Extension located in New Mills off Route 134 (est. 1956). As you stand facing the cemetery, it is the area to the right of the driveway as indicated by the sign.

Care and maintenance of the properties is costly! In order to keep the cemeteries in good condition, we depend on and appreciate support from lot holders and families. All donations are gratefully accepted. Official tax receipts will be issued.

To make a donation please contact President, Valerie Traer (684-2506) or the treasurer, Ruth Dickie (684-2667).
